Subject: ESGARD Roofboard Price Increase

Dear Customer,

Please note that as a consequence of increasing manufacturing and transportation costs, the prices of all BP ESGARD insulation panels will be increased by 4% to 6%, effective June 15th, 2018.

All orders shipped on or after June 15th, 2018, regardless of when the order was placed, will be invoiced at the new prices. We reserve the right to limit quantities on orders placed prior to the effective date of the price increase.

A revised price list will be published shortly.

Should you have any questions, please do not hesitate to contact your local BP Sales Representative.

We thank you for your continuous trust and support.
