RE: 2020 Price List for Insulated Panel Products from Tech-Crete Processors Ltd.

Dear Valued Customer,

Tech-Crete has continued to experience increases in raw material and other costs, and we are forced to adjust our distributor pricing for 2020. We will work with our partners on a case by case basis for pricing on jobs that may have been quoted prior to this notice.

These price changes are effective 1 March 2020:

- Orders shipped prior to 1 March 2020 will be priced at the existing (2019) price.
- Orders shipped on or after 1 March 2020 will be priced at the new (2020) price.

This information will be sent in hardcopy via conventional mail if requested.

Please ensure this information is distributed to your regional branches and buyers.

If you have any questions, please call us at 250.832.9705, 7am – 3pm, Pacific Time.

Kind Regards,
